Public Hearing Item 21

Title: **Modifications to the Alhambra Corridor Special Planning District (SPD) (LR16-009) [Noticed 09/16/2016; Passed for Publication 09/20/2016; Published 09/23/2016]**

Recommendation: Conduct a public hearing and upon conclusion, pass a) an ordinance amending sections 17.420.010 and 17.420.020 of the Sacramento City Code Relating to the Alhambra Corridor Special Planning District; and b) an ordinance amending Title 17 of the Sacramento City Code to rezone various parcels of real property from 26th to 29th Streets, between the Southern Pacific Railroad Levee and Highway 50.

Location: The area located between 26th and 34th Streets from the Southern Pacific Railroad Mainline Levee to Highway 50; Districts 3 and 4

Contact: Remi Mendoza, Associate Planner, (916) 808-5003; Jim McDonald, Principal Planner, (916) 808-5723, Community Development Department

Presenter: Remi Mendoza, Associate Planner, (916) 808-5003, Community Development Department

Department: Community Development Department

Description/Analysis

Issue Detail: In August 2015, the Sacramento City Council adopted a Downtown Housing Initiative Plan with the goal to deliver 10,000 new places to live in the Central City by 2025. In support of this endeavor, staff is proposing modifications to the Alhambra Corridor Special Planning District (SPD) in order to remove regulatory barriers that could inhibit housing development in the project area.

The Alhambra Corridor SPD currently includes properties located between 26th and 34th Streets from the Southern Pacific Railroad mainline levee to Highway 50 (Attachment 2). The proposed SPD modifications include:

1. Shrinking the footprint of the Alhambra Corridor SPD by adjusting the western boundary from 26th to 29th Streets, and
2. Removing the SPD height restrictions for properties located between 30th Street and Alhambra Boulevard from I to N Streets. The height standards and regulations of the applicable base zone shall apply for this area.

The above changes result in a smaller footprint for the Alhambra Corridor SPD (Attachment 3) that will help remove barriers to residential infill development by streamlining and increasing predictability for development projects. Additionally, these changes will allow development in the Central City to occur in a more consistent urban development pattern as identified in the 2035 General Plan, Downtown Housing Initiative, Central City Neighborhood Design Guidelines, and the Planning and Development Code.

Policy Considerations: The 2035 General Plan includes the following goals and policies, which are consistent with the proposed modifications:

GOAL Land Use (LU) 6.1 Corridors. Support the development of major circulation corridors that balance their vehicular function with a vibrant mix of uses that contribute to meeting local and citywide needs for retail, services, and housing and provide pedestrian-friendly environments that serve as gathering places for adjacent neighborhoods.

LU 6.1.5 Higher Intensity Nodes. The City shall generally direct higher-intensity land uses and taller buildings to major intersections along arterial roads to facilitate access, enhance transit service, and promote physical differentiation along the corridor.

LU 1.1.4 Leading Infill Growth. The City shall facilitate infill development through active leadership and the strategic provision of infrastructure and services and supporting land uses.

LU 1.1.5 Infill Development. The City shall promote and provide incentives (e.g., focused infill planning, zoning/rezoning, revised regulations, provision of infrastructure) for infill development, reuse, and growth in existing urbanized areas to enhance community character, optimize City investments in infrastructure and community facilities, support increased transit use, promote pedestrian- and bicycle-friendly neighborhoods, increase housing diversity, ensure integrity of historic districts, and enhance retail viability.

Economic Impacts: Not applicable.

Environmental Considerations: Approval of the required amendments constitutes an administrative action that will not result in direct or indirect physical changes in the environment, and the action is not a project that requires environmental review under the California Environmental Quality Act (CEQA). See CEQA Guidelines section 15378(b)(5). Any future proposed development is subject to the review requirements established in the Planning and Development Code, including CEQA review as appropriate.

Sustainability: The proposed modifications to the Alhambra Corridor Special Planning District are consistent with General Plan goals to increase the number of places to live within the Central City. Increasing housing density in the Central City around public transportation hubs will reduce dependence on the use of private automobile, reduce long commutes, reduce the use of fossil fuels, improve energy efficiency, reduce carbon dioxide emissions, and help meet air quality standards.

Commission/Committee Action: The ordinance has been considered by the Law and Legislation Committee and the Planning and Design Commission. They acted to forward a recommendation of approval to Council regarding the proposed modifications to the Alhambra Corridor Special Planning District.

Rationale for Recommendation: The current height restrictions were adopted in 1992 and do not reflect more recently adopted goals, policies, and guidelines that support more urban development in this area. The proposed modifications to the Alhambra Corridor SPD will remove regulatory barriers that currently artificially limit the size of new housing development.

Financial Considerations: Not applicable.

Local Business Enterprise (LBE): Not applicable.

Background:

The Alhambra Corridor SPD was adopted in 1992 and consists of properties located between 26th and 34th streets from Southern Pacific Railroad mainline levee to Highway 50. In the 1990's the Alhambra SPD served as the primary regulatory tool to ensure development was built consistent with the preservation of the neighborhood scale and character. Among other regulations, the SPD placed limitations on the height of new residential and commercial development with the unintended consequence of creating an unpredictable approval process that disincentivized new housing.

The older Alhambra Corridor SPD pre-dates the Sacramento Area Council of Governments (SACOG) Regional Blueprint, the 2035 General Plan, and the Downtown Housing Initiative Plan, all of which clearly now forecast and encourage more urban development in the Central City and along urban corridors. The 2035 General Plan anticipates the majority of the City's growth to occur within the Central City and the Mayor's Downtown Housing Initiative has set goal to deliver 10,000 units in the Central City by 2025.

Within the Central City there is a demand for new housing and supporting commercial development. The proposed changes to the Alhambra SPD will remove regulatory barriers to allow for predictable and efficient development of housing and other supporting land uses in the area. The proposed changes include:

1. Shrinking the footprint of the Alhambra Corridor SPD by adjusting the western boundary from 26th Street to 29th Street (requiring a rezone) and
2. Removing the SPD height restrictions for properties located between 30th Street and Alhambra Boulevard from I Street to N Street. The height standards and regulations of the applicable base zone shall apply for this area.

To amend the Planning and Development Code, and bring about these Alhambra Corridor SPD modifications, the City Council must find that:

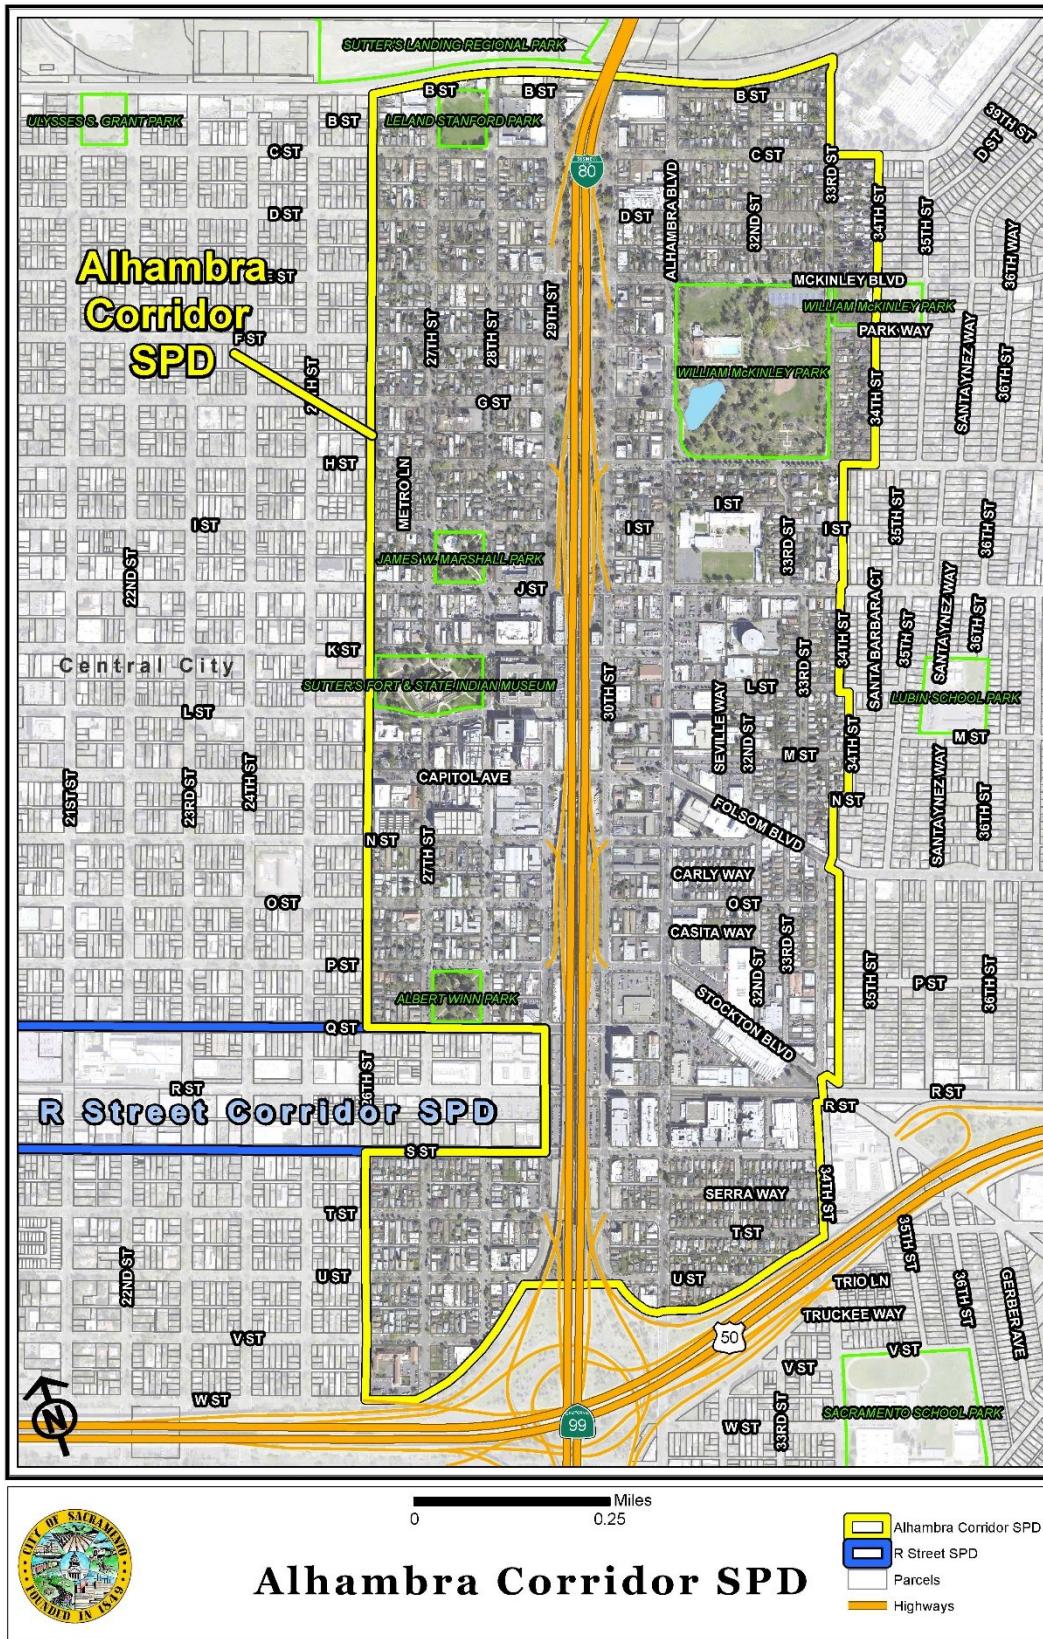

- A. Rezoning of the property is consistent with the applicable general plan land use designation, use, and development standards; the goals, policies, and other provisions of the general plan; and any applicable specific plan.
- B. The text amendments complement, support, and facilitate the implementation of the goals, policies, and other provisions of the general plan and the city's specific plans, and

- C. The proposed amendments promote the public health, safety, convenience, and welfare of the city.

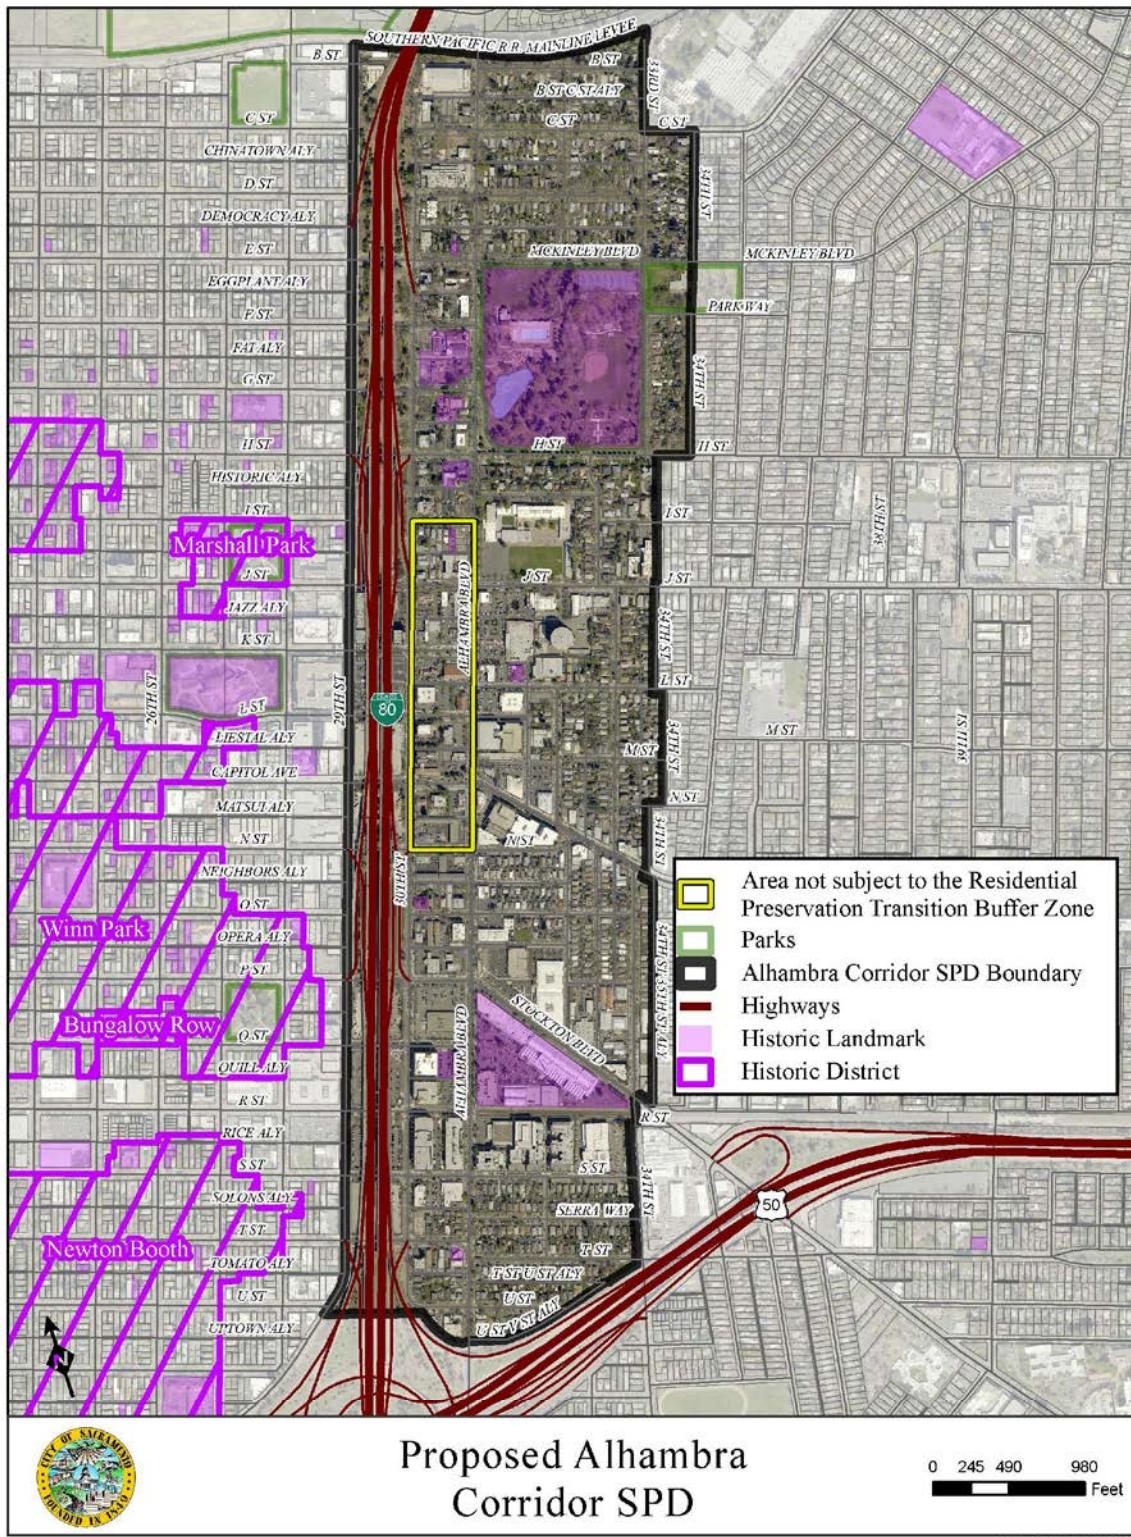

These findings can be made because: 1) the proposed rezone amendments are consistent with general plan policies, land use designations, use, and development standards for the following respective general plan designations: Urban Corridor Low, Urban Corridor High, Traditional Neighborhood Medium Density, and Employment Center Low Rise; 2) removal of the Alhambra Corridor SPD height restrictions will facilitate infill development of major circulation corridors and within the Central City; and 3) the proposed amendments promote the public health, safety, convenience, and welfare of the city, in that, facilitating infill housing development will enhance the community character, support transit use, and promote pedestrian friendly neighborhoods.

As a result of removing these regulatory obstacles it is anticipated that more new housing development will occur in the Central City in a more consistent urban development pattern (see Attachment 4-Zoning Map, Attachment 5-Zoning Table, and Attachment 6- Building at Scaled Heights). It is also likely that taller and more intense development will occur along the elevated freeway (Business 80/Capital City). All new development within and outside of the SPD will continue to be subject to Site Plan and Design Review, the applicable Central City or Alhambra Corridor Design Guidelines, and historic preservation regulations as required. The city code requires historic review for all buildings over 50-years old and the existing historic district and landmark designations in the area will remain intact.

ORDINANCE NO.

Adopted by the Sacramento City Council
Date Adopted

**AN ORDINANCE AMENDING SECTIONS 17.420.010 AND
17.420.020 OF THE SACRAMENTO CITY CODE, RELATING TO THE
ALHAMBRA CORRIDOR SPECIAL PLANNING DISTRICT**

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

SECTION 1.

The city council finds the following:

1. As amended by this ordinance, the Planning and Development Code complements, supports, and facilitates the implementation of the goals, policies, and other provisions of the general plan and the city's specific plans and transit village plans; and
2. The amendments in this ordinance promote the public health, safety, convenience, and welfare of the city.

SECTION 2.

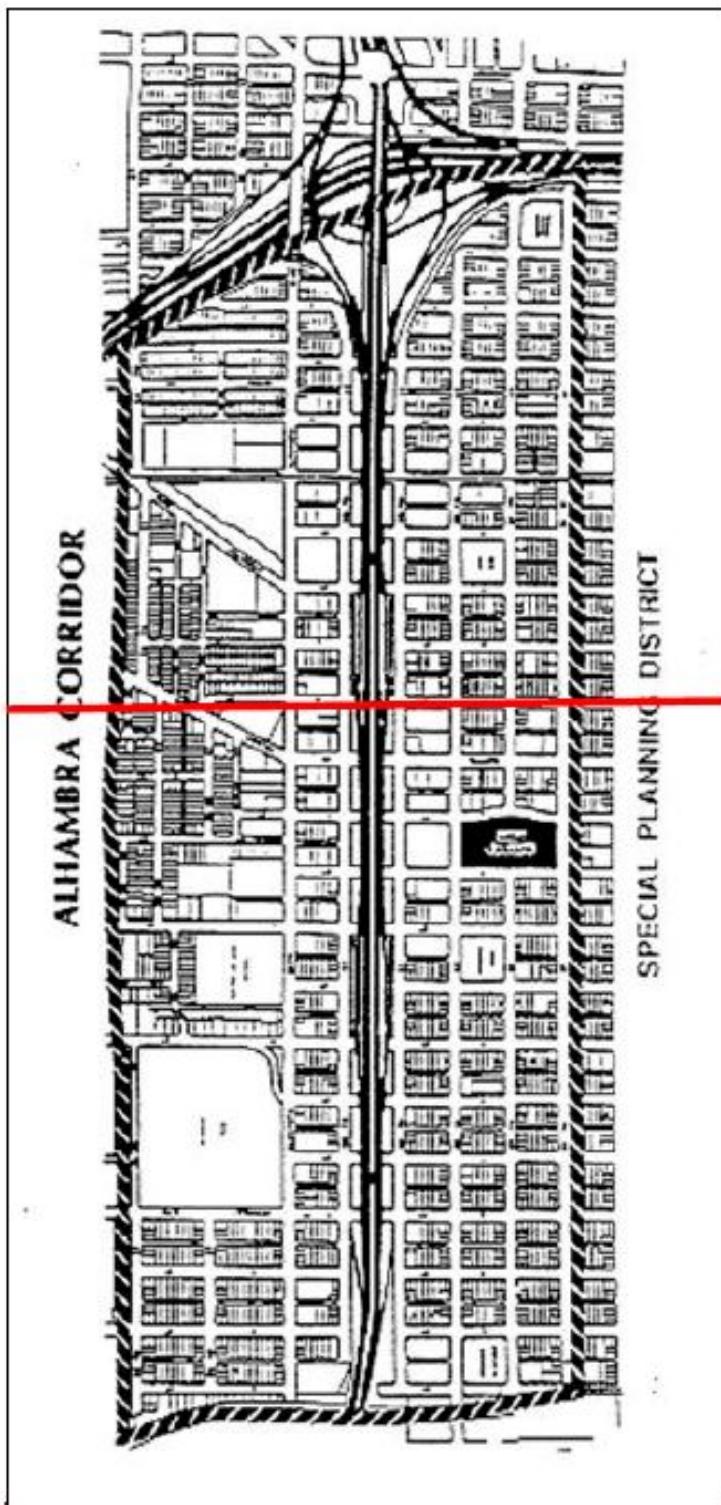

Section 17.420.010 of the Sacramento City Code is amended to read as follows:

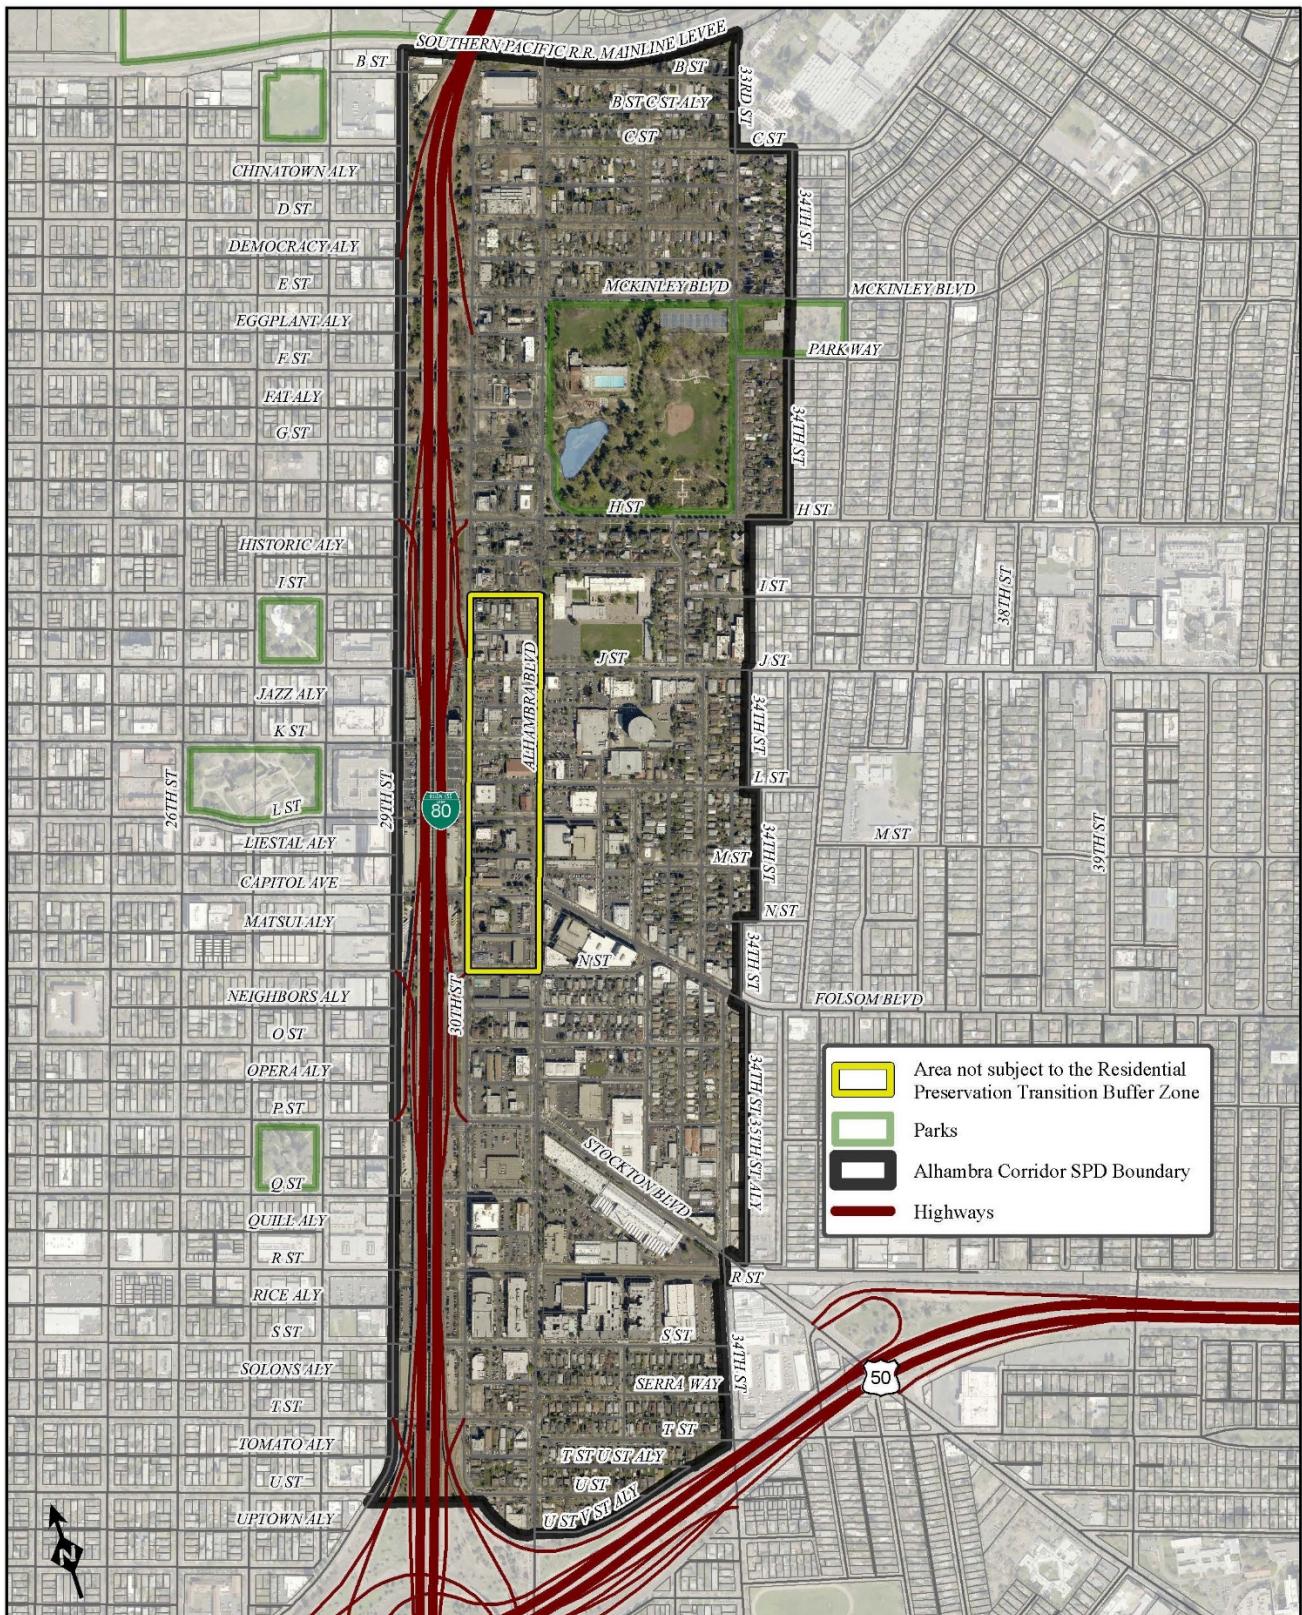

17.420.010 Purpose and intent.

The Alhambra Corridor special planning district (SPD) generally consists of properties located between 26th-29th and 34th streets from the Southern Pacific railroad mainline levee to the W/X Freeway. The specific district boundaries are identified on the map in Exhibit A. This district includes a number of different neighborhoods and is intended to assist in the preservation of the neighborhood scale and character, along with providing additional housing opportunities in the area. The goals of the Alhambra Corridor SPD are to:

- A. Maintain and improve the character, quality, and vitality of individual neighborhoods;
- B. Maintain the diverse character and housing opportunities provided in these urban neighborhoods; and
- C. Provide the opportunity for a balanced mixture of uses in neighborhoods adjacent to transit facilities and transportation corridors.

Exhibit A

SECTION 3.

Section 17.420.020 of the Sacramento City Code is amended to read as follows:

17.420.020 Alhambra Corridor special regulations and restrictions.

A. Development within the Alhambra Corridor SPD is subject to the regulations and development standards of this chapter, in addition to the other regulations of this title. The provisions of this chapter prevail over any conflicting provisions of this title.

B. Residential preservation transition buffer zone.

1. ~~General ruleHeight limit~~. Except as provided ~~below in subsections B.2 and B.3~~, development located within 300 feet of a residential zone (measured from the street centerline) shall not exceed 35 feet in height. This restriction is intended to establish a residential preservation transition buffer zone to protect residential neighborhoods from visual intrusion by new development that is out of scale with the adjacent residential neighborhood.

2. ~~Exception-Conditional use permit~~. The planning and design commission may approve a conditional use permit allowing additional height, provided that the height may not exceed the limits established by the applicable base zoning chapter. To approve the conditional use permit, the planning and design commission must find that the development will not be out of scale with the adjacent residential neighborhood. An example where the intent of the buffer zone is maintained while allowing additional height is a development incorporating design features or step-backs that reduce the walled effect on adjacent smaller-scaled residential development.

3. ~~Excluded development. Development located within the area bounded by I Street to the north, Alhambra Boulevard to the east, N Street to the south, and 30th Street to the west is exempt from the requirements of subsection B.1.~~

C. Restricted limited commercial. Property zoned C-1 and located between Granada Way and Folsom Boulevard on the east side of 32nd Street is subject to the following additional provisions:

1. The total building square footage of any structure in the C-1 zone shall not exceed 6,400 square feet, except that the planning and design commission may issue a conditional use permit to exceed 6,400 square feet, subject to a finding that the proposed building scale is compatible with adjacent residential development.

2. Height. The maximum height for this zone is 35 feet.

D. Drive-through services. Drive-through services are prohibited for parcels that abut Alhambra Boulevard and are located in the Alhambra Corridor SPD. This prohibition includes both drive-through services for restaurants and as an accessory use.

ORDINANCE NO.

Date Adopted

AN ORDINANCE AMENDING SECTIONS 17.420.010 AND
17.420.020 OF THE SACRAMENTO CITY CODE, RELATING TO THE
ALHAMBRA CORRIDOR SPECIAL PLANNING DISTRICT

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

SECTION 1.

The city council finds the following:

1. As amended by this ordinance, the Planning and Development Code complements, supports, and facilitates the implementation of the goals, policies, and other provisions of the general plan and the city's specific plans and transit village plans; and
2. The amendments in this ordinance promote the public health, safety, convenience, and welfare of the city.

SECTION 2.

Section 17.420.010 of the Sacramento City Code is amended to read as follows:

17.420.010 Purpose and intent.

The Alhambra Corridor special planning district (SPD) generally consists of properties located between 29th and 34th streets from the Southern Pacific railroad mainline levee to the W/X Freeway. The specific district boundaries are identified on the map in Exhibit A. This district includes a number of different neighborhoods and is intended to assist in the preservation of the neighborhood scale and character, along with providing additional housing opportunities in the area. The goals of the Alhambra Corridor SPD are to:

- A. Maintain and improve the character, quality, and vitality of individual neighborhoods;
- B. Maintain the diverse character and housing opportunities provided in these urban neighborhoods; and
- C. Provide the opportunity for a balanced mixture of uses in neighborhoods adjacent to transit facilities and transportation corridors.

Exhibit A

SECTION 3.

Section 17.420.020 of the Sacramento City Code is amended to read as follows:

17.420.020 Alhambra Corridor special regulations and restrictions.

A. Development within the Alhambra Corridor SPD is subject to the regulations and development standards of this chapter, in addition to the other regulations of this title. The provisions of this chapter prevail over any conflicting provisions of this title.

B. Residential preservation transition buffer zone.

1. Height limit. Except as provided in subsections B.2 and B.3, development located within 300 feet of a residential zone (measured from the street centerline) shall not exceed 35 feet in height. This restriction is intended to establish a residential preservation transition buffer zone to protect residential neighborhoods from visual intrusion by new development that is out of scale with the adjacent residential neighborhood.

2. Conditional use permit. The planning and design commission may approve a conditional use permit allowing additional height, provided that the height may not exceed the limits established by the applicable base zoning chapter. To approve the conditional use permit, the planning and design commission must find that the development will not be out of scale with the adjacent residential neighborhood. An example where the intent of the buffer zone is maintained while allowing additional height is a development incorporating design features or step-backs that reduce the walled effect on adjacent smaller-scaled residential development.

3. Excluded development. Development located within the area bounded by I Street to the north, Alhambra Boulevard to the east, N Street to the south, and 30th Street to the west is exempt from the requirements of subsection B.1.

C. Restricted limited commercial. Property zoned C-1 and located between Granada Way and Folsom Boulevard on the east side of 32nd Street is subject to the following additional provisions:

1. The total building square footage of any structure in the C-1 zone shall not exceed 6,400 square feet, except that the planning and design commission may issue a conditional use permit to exceed 6,400 square feet, subject to a finding that the proposed building scale is compatible with adjacent residential development.

2. Height. The maximum height for this zone is 35 feet.

D. Drive-through services. Drive-through services are prohibited for parcels that abut Alhambra Boulevard and are located in the Alhambra Corridor SPD. This prohibition includes both drive-through services for restaurants and as an accessory use.

Rezone Ordinance

ORDINANCE NO.

Adopted by the Sacramento City Council

AMENDING TITLE 17 OF THE SACRAMENTO CITY CODE TO REZONE VARIOUS PARCELS OF REAL PROPERTY FROM 26TH STREET TO 29TH STREET, BETWEEN THE SOUTHERN PACIFIC RAILROAD LEVEE AND HIGHWAY 50

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

Section 1. Title 17 of the Sacramento City Code (the Planning and Development Code) is amended to rezone the properties from 26th Street to 29th Street, between the Southern Pacific Railroad Levee and Highway 50, depicted in the attached Exhibits A and B and identified by APN and address in the attached Exhibit C, from the existing zone to the proposed zone as set forth in Exhibit C.

Section 2. The rezoning of the property is consistent with the applicable general plan land use designation, use, and development standards; the goals, policies, and other provisions of the general plan and any applicable specific plan; and promotes the public health, safety, convenience, and welfare of the city.

Section 3. The City Clerk of the City of Sacramento is hereby directed to amend the official zoning maps, which are a part of the Planning and Development Code, to conform to the provisions of this Ordinance.

Section 4. Exhibits A, B, and C are part of this ordinance.
